Blurb: I left Hinde House in 2001 with 9 A's and went on to study Biology, Chemistry, Art and Spanish A-Levels at King Edwards sixth form. From there I went to the University of Sheffield to study Biomedical Sciences followed by a post graduate certificate in Education (PGCE) and later a Master's in Education. During my PGCE I met Miss Fox and Ms Travis who were on the same course as me. We qualified as teachers together and all took up post at Hinde House in 2009 where we have worked ever since. As part of my teacher training, I taught at High Storrs school where Mr Roy (current VP at Hinde House) was my mentor!

I love working at Hinde House and serving the community I grew up in.
