

PE and Sport Premium – Hinde House Primary 2020/21 Proposal

PE and Sport Premium – Hinde House Primary 2020/21 Proposal

Education Secretary Gavin Williamson, said:

During these challenging times, it has become clearer to me than ever the importance of keeping active and how it benefits not just our physical health but also our ability to pay attention, our mood and our mental health too.

How to use the PE and sport premium

Schools must use the funding to make additional and sustainable improvements to the quality of their physical education (PE), physical activity and sport.

This means that you should use the premium to:

- develop or add to the PE, physical activity and sport that your school provides
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Schools should use the premium to secure improvements in the following **5 key indicators**.

Engagement of all pupils in regular physical activity, for example by:

- providing targeted activities or support to involve and encourage the least active children
- encouraging active play during break times and lunchtimes
- establishing, extending or funding attendance of school sport clubs and activities and holiday clubs, or broadening the variety offered
- adopting an active mile initiative
- raising attainment in primary school swimming to meet requirements of the national curriculum before the end of key stage 2. Every child should leave primary school able to swim

Profile of PE and sport is raised across the school as a tool for whole-school improvement, for example by:

- encouraging pupils to take on leadership or volunteer roles that support sport and physical activity within the school (such as 'sport leader' or peer-mentoring schemes)
- embedding physical activity into the school day through active travel to and from school, active break times and active lessons and teaching

Increased confidence, knowledge and skills of all staff in teaching PE and sport, for example by:

- providing staff with professional development, mentoring, training and resources to help them teach PE and sport more effectively to all pupils, and embed physical activity across your school
- hiring qualified sports coaches to work alongside teachers to enhance or extend current opportunities

Broader experience of a range of sports and activities offered to all pupils, for example by:

- introducing new sports and physical activities (such as dance, yoga or fitness sessions) to encourage more pupils to take up sport and physical activities

- partnering with other schools to run sport activities and clubs
- providing more (or broadening the variety of) extra-curricular activities after school in the 3 to 6pm window, delivered by the school or other local sport organisations

Increased participation in competitive sport, for example by:

- increasing pupils' participation in the [School Games](#)
- organising, coordinating or entering more sport competitions or tournaments within the school or across the local area, including those run by sporting organisations.

Proposal for Hinde House Primary 2020/21

Based on the above 5 key indicators and considering the unique nature of Hinde House (high levels of obesity, inactivity, lack of access to bikes at home, parental support) I believe the following proposals would contribute effectively to achieving these goals.

Annual/on-going Costs – some are dependent on Covid			
Activity	Cost	Details	Impact
Arches package	£1040 £625	School Sports Partnership – inter school competitions, CPD, support	Children to take part in inter-school competitions CPD
PE resources	£500	Balls etc	Resources to teach
Active playtime resources	£700	Each Bubble to be given a bag of equipment (balls, skipping ropes, petanque)	Children active at lunchtime and playtime Improved behaviour
Termly HHK prizes (Daily Mile)	£900	HHK competition. Winning class to spend money of making class more active	Staff and children motivated to win! Children more active.
Salaries	TBC	Cover cost, TLR	PE Lead to develop active learning, PE curriculum, intra-school competitions, active playtimes, staff CPD.
Climbing Comp	£90	Sheffield wide bouldering competition	Children take part in a new sport. Children compete.
