Dear student

Although the school has ended in the most unusual of circumstances there is one thing that is no different, and that is the pride and admiration the teachers and staff here at school have for you, our Y11 students.

We know how many of you have worked hard this year and grown as individuals into mature confident young adults. As ever, we are hugely jealous of the stage of your lives you are about to embark on. You are entering into a world of exciting opportunities and possibilities where you can experience new things, forge new friendships and become whatever you want to be.

If you continue to be open minded, tolerant of others and thoughtful in your actions, the world will open up for you. Build on what you have learnt in your time at Hinde House and use it as a stepping stone to the great things you can achieve. Good luck, be happy - we will miss you.

Unfortunately, due to the current situation regarding Covid-19, we are unable to hold a traditional results day where all students come into school on Thursday 20<sup>th</sup> August.

This year you will be able to access your results by using your EdulinkOne account, which all Y11 students have access to. It is easy to use with your existing school username and password.

You can view your results from 8am on Thursday 20<sup>th</sup> August in the 'Exams' section on EdulinkOne.

There will also be a "Results Letter" for you to view which shows all your results (including any BTEC qualifications).

Printed copies of your results will be posted out to your home address on Thursday 20<sup>th</sup> August, and therefore should arrive a day to two later. Please inform school if you have recently moved address so that this can be updated before results day.

If you have any queries about exams, results day, or accessing your EdulinkOne account, please email [exams@hindehouse.net](mailto:exams@hindehouse.net)

As you are probably aware, the school has submitted the subject grades this year, using a formula provided by Ofqual. A huge amount of time and effort has gone into ensuring that these are fair and representative of each student's ability in every subject. These will then be scrutinised, and possibly adjusted, by the exam boards. We know our students very well; if a student's grades are adjusted down, below the entry criteria for a certain subject, we will take guidance from subject staff. The government has stated that there is no process of appeal for the grades that are awarded this year, but students will have the opportunity to sit exams in the Autumn 2020. If you wish to sit the exams in the Autumn series then please can you inform us at school as soon as possible by email to [enquiries@hindehouse.net](mailto:enquiries@hindehouse.net)

There is so much uncertainty about education at present, however, one constant is the support and guidance for you. With that in mind on results day, once you have your results, if you want to contact the academy then senior leaders and colleagues from Longley College will be available to take your calls

Best wishes
