16th June 2021

Dear Parent/Carer

Covid-19 Lateral Flow Testing

During the Prime Minister's announcement on Monday evening, we learned that the easing of restrictions will be delayed until 19th July due to the increase in Covid-19 positive cases, particularly the Delta variant.

It is essential, therefore, that we continue to play our part in limiting the spread of the virus. The Delta strain has been proved to be more transmissible and appears to be more prevalent in the younger age groups at this current time.

As such, it is imperative that you continue with the twice-weekly lateral flow tests so that we can continue to protect our students, our staff and the wider community by identifying positive cases and any potential close contacts.

Tests kits can be collected at the end of the day, either from reception or the medical room.

Please remember to notify us of the test result, via your Edulink account, and to register the result with NHS Track and Trace, online, as per the guidance in the accompanying booklet.

Thank you for your continued support.

Yours sincerely

Vicky Simcock
