24<sup>th</sup> August 2021

Dear Parent/Carer

Following the summer break, as per government guidance, we will be carrying out 2 lateral flow tests on all students in Y7-11, whose parents have given prior consent.

We will be offering drop-in sessions on **Wednesday 1<sup>st</sup> September and Thursday 2<sup>nd</sup> September between 9am and 3pm at the secondary site**. We encourage your child to call in between these times for their first lateral flow test. With your support we will continue to help restrict the spread of the virus. Your child will be given a card containing a bar code and instructions of how to record the result – we ask for your support in registering the result, either negative or positive, with Track and Trace.

Please note, in line with government guidance, we will not be identifying any close contacts, this will be done by Track and Trace, following communication with parents/carers.

The second lateral flow test will take place in school time, week commencing 6<sup>th</sup> September and the process will be as indicated above.

If you haven't previously given your consent but now wish to do so, you can give your permission by completing the form via this link <https://forms.office.com/r/tikP3Sd33j>

Yours sincerely

Munif Zia
