Dear Parent/Carer

Online payments to school with ParentPay!

Hinde House Academy have introduced a more convenient way to pay for school meals, and other school items online, using a secure service called ParentPay.

We are hoping you can help us to move forward in making the academy a cash-free environment. Parents who need to continue making payments by cash may do so using the PayPoint network at local convenience stores.

Making secure payments online using your credit or debit card

ParentPay offers you the freedom to make payments whenever and wherever you like, 24 hours a day, 7 days a week - safe in the knowledge that the technology used is of the highest internet security available.

You will have a secure online account, activated using a unique username and password; you will be prompted to change these, and to keep them safe and secure. If you have more than one child at our school, or children at other ParentPay schools, you can create a single account login for all your children.

Making a payment is straightforward and ParentPay holds a payment history for you to view at a later date; no card details are stored in any part of the system. Once you have activated your account you can make online payments straight away.

Taking cash by PayPoint

PayPoint payments are recorded by ParentPay and can be seen by logging into your ParentPay account and viewing your payment history online. The nearest PayPoint stores to school are:-

- Late Shopper, 239 Wincobank Avenue
- Newman Off Licence, 102 Newman Road
- Sandstone Convenience Store, 44 Sandstone Road

Please notify the school if you wish to use the PayPoint facility.

Trip and activity information letters will carry a unique barcode which will allow you to make cash payments at your local PayPoint store.
