

## Using Laptops on Loan from School

### Reminders

**Login** (it is important that you keep the same password)

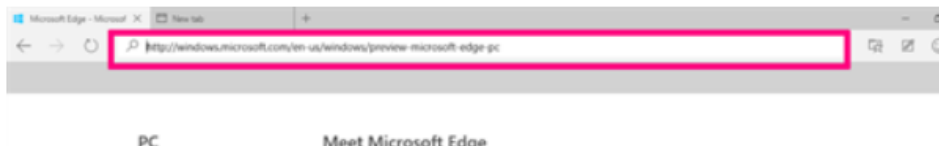

First, you must use the **Smoothwall** icon on the desktop to use the internet.

Each day this will offer a certificate to register the device, you must **“OK”** this.

You will now be able to connect to the internet and use Teams.

### \*If you cannot get onto the internet

1. Check the Wi-Fi on the Laptop is switched on and it is connected to your home Wi-Fi
2. Only use the Smoothwall shortcut on the desktop to connect to the internet as above.
3. If it says **“This device is not authorised...”** then, Click in the address bar to highlight its contents (a set of numbers like 212.nnn.nnn..nn/...)

4. then press the Enter key on the keyboard. This should offer a new certificate click **“OK”**
