Dear Parent/Carer

RE: Year 10 Provision

I hope that this letter finds you all well and safe during these exceptional times. Here at school we have continued to make provision for our key worker and vulnerable students as well as welcoming back Year 10 and other groups of students in the last few weeks. It has been an absolute pleasure to see them and their approach and attitudes have been incredibly positive. As teachers, we have very much missed the face-to-face teaching at school and we all look forward to a return to some form of normality. As we are fast approaching the end of this most extraordinary year, I wanted to inform you that the final day of the academic year for our Year 10 pupils is Wednesday 15th July and teachers will continue to set work according to the timetable until the end of the school day. There will then be an end of year celebratory assembly for students to watch which will be posted by their Head of Year. During the summer holidays, we would expect students to take a break from their learning although they will need to ensure that, if they have fallen behind at all, they have caught up with all of their subjects before September. However, there are also lots of activities, on the website, that they can take part in if they wish.

Can I take this opportunity to thank you all for your amazing support and for the incredible determination and commitment shown by all of our community to maintain positive learning and wellbeing during this time.

Kind regards,

Munif Zia
